Harmony School Management Software

Internet Component

Logic Key, Inc.'s Harmony School Management Software provides parents with the capability to view portions of their child's academic record via the internet. Through the use of secure user names and passwords, you will have access to only your child's information. As with all passwords, it is important to not share your password with others.

The information you may view includes:

- **Attendance Report** – A summary of absences and tardies.
- **Discipline Report** – A summary of all discipline encounters.
- **Progress Report** - The student's current grades.
- **Homework Agenda** – A list of assignments taught/due.
- **Assignment Summaries** – By class, you may see all assignments, your child's score on each assignment, and his/her overall grade.
- **Web messages**- See messages posted by the school or teachers pertaining to your child and his/her classes
- **Food Services**- See food service statements- payments made and items purchased
- **School Calendar**

To access this feature go to your school corporation's website. There you will see an option to "Log in to Harmony". Once you click this, you will be prompted for your user name and password. Once you have entered Harmony, you will have the options of viewing your child's Web Messages, Attendance Report, Discipline Report, Progress Report, Homework Agenda, and Student Assignment Summaries, and Food Service Statement by clicking on the appropriate links. You may print any of the reports by using your web browser's usual Print function.
