Brenda Sheldon, Guidance Director  
Andrew Thomas, Athletic Director

Dear Parent/Guardian,

Culver Community Schools in compliance with Indiana Code, recognizes the importance of protecting the environment and your child's health. We are implementing an anti-idling policy for school buses and vehicles in the student pick-up/drop-off area.

The anti-idling policy will require minimal changes on your part. Automobiles will not be allowed to idle for longer than five minutes when the temperature is 32 degrees or above. Automobiles will not be allowed to idle for longer than fifteen minutes when the temperature is 31 degrees or below. We will be using a similar policy for buses. By working together, we can protect the health of your children and our students.

Sincerely,

Albert Hanselman  
Principal  
Culver Community High School
