Dear Students and Parents:

I wanted to point out to everyone concerned that next school year (2010-2011) EVERY FRIDAY in the entire school year will have a 30 minute earlier dismissal time than the other days of the week. The school year calendar approved by the Board of School Trustees in February reflects this change so that two additional in-service days for teachers and no students can be included in the calendar. The official dismissal time for Fridays next year will be 2:30 p.m. for Culver and Monterey Elementaries and 2:45 p.m. for the Middle School and High School. Monday through Thursday will be the same as this year—3:00 at the Elementaries and 3:12 at the Middle School and High School. The first day for students next year will be August 17, 2010. The complete calendar for the year is available on the Corporation web site, www.culver.k12.in.us.

Please have a safe and restful summer.

Sincerely,

Brad Schuldt
Superintendent
